9. Proposed candidates

Once the candidates have been evaluated, the committee will provide the rector of the University with a list, which will be binding, of all the candidates who have passed the selection process. The candidates will be listed in order of preference. The position may also be declared unfilled.

If the committee's proposal is not unanimous, the dissenting committee member will record his or her own evaluation and order of preference of the candidates he or she has evaluated favourably.

In this case, an administrative appeal can be lodged with the Administrative Court in Tarragona within six months from the day that the appeal to the rector is understood to have been dismissed. If a resolution is issued regarding the appeal lodged with the rector, the period for lodging an administrative appeal will be two months from the day that this resolution is issued.
