

2026PIPF-PREP. Grants for predoctoral contracts for the training of doctors. State Plan for Scientific, Technical and Innovation Research 2024-2027.
2026PIPF-PREP- ANNEX I: LIST OF GRANTS

Reference	Department	Phd thesis director	Thesis project title / Line of research
2026PIPF-PREP-01	Department of Electronic, Electric and Automatic Engineering	Enric Vidal Idiarte	Design and Control of Three-Phase Charging Systems for Electric Vehicles.
2026PIPF-PREP-02	Department of Chemical Engineering	Joan Rosell Llompart	Electrohydrodynamic Jet Printing with Material Versatility
2026PIPF-PREP-03	Department of Pedagogy	Oriol Ríos González	Social Impact in Educational Research.
2026PIPF-PREP-04	Department of Physical and Inorganic Chemistry	M ^a Elena Fernández Gutiérrez	Synthesis and Application of Borylated Carbenoids
2026PIPF-PREP-05	Department of Pedagogy	Gisela Cebrián Bernat	Intergenerational Learning for Sustainability: Conceptualization and Study in the Context of Climate Assemblies
2026PIPF-PREP-06	Department of Pedagogy	Mireia Usart Rodríguez	Transforming Teaching Practice with Digital Technologies through Research-Informed Educational Practice: Mechanisms, Processes and Contextual Factors
2026PIPF-PREP-07	Department of Private, Procedural and Financial Law	Sergio Nasarre Aznar	The Impact of the European Affordable Housing Plan in Spain
2026PIPF-PREP-08	Department of History and History of Art	Licia Buttà	The Moorish Dance: Cultural and Visual History of a Dance of Otherness (15th-16th Centuries)
2026PIPF-PREP-09	Department of Analytical Chemistry and Organic Chemistry	Francisco Javier Andrade Mermet	Multiplexed semi-open electrochemical cells (SOEC) for exhaled breath condensate analysis: from sensor development to the clinical validation of a smart mask (PulmoCheck)
2026PIPF-PREP-10	Department of English and German Studies	Isabel Oltra-Massuet	Theoretical and Applied Linguistics
2026PIPF-PREP-11	Department of Business Management	Eleni Papaoikonomou	Exploring consumer literacy across consumer contexts
